**Item 4. Changes In Registrant's Certifying Accountant.**

On March 3, 2000, Soligen Technologies, Inc. (the "Company") received formal notification that Arthur Andersen LLP ("Andersen") resigned as the Company's principal Independent Public Accountants. Andersen stated that they had limited resources and the Company was not of a size and capitalization that warranted any further interest on their part.

During the Company's two most recent fiscal years and the interim period preceding termination, there were no disagreements between the Company and Andersen on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of Andersen would have caused it to make reference to the subject matter of the disagreement(s) in connection with its report. Andersen has advised the Company by letter dated March 8, 2000 that it agrees with the statements made by the Company in response to Item 304(a) of Regulation S-B in this report on Form 8-K.

Andersen's reports on the Company's financial statements for the previous two fiscal years did not contain an adverse opinion or disclaimer of opinion, and were not modified as to uncertainty, audit scope or accounting principles.

The engagement of Singer, Lewak, Greenbaum & Goldstein, LLP as Independent Public Accountants to audit the financial statements of the Company for the fiscal year ending March 31, 2000 was approved by the Company's Board of Directors on March 3, 2000.
